442/P DECLARATIONS OF INTEREST

Members were asked to declare any interests, including the nature of those interests, which they had in any of the items under consideration at this meeting. No declarations were made and no dispensations had been requested.

443/P QUESTIONS FROM THE PUBLIC (3 minutes per person; maximum 15 minutes)

There were no questions or statements from members of the public.

444/P MINUTES OF PREVIOUS MEETING

The Committee received the minutes of the Planning and Transport Committee meeting held on 9 January 2019.

RESOLVED that the minutes of the Planning and Transport Committee meeting held 9 January 2019 be approved as a correct record and were signed accordingly.

445/P PLANNING APPLICATIONS

The Committee reviewed applications received up until 25 January 2019.

Discussion took place regarding application reference CB/18/04796 (The Brambles, Vandyke Road). It was felt that the proposed housing density was far in excess of acceptable standards and contrary to other developments in the vicinity. Concerns were also raised regarding traffic movements, particularly given the close proximity to local schools.

RESOLVED to recommend to Central Bedfordshire Council that objection be made to application reference CB/18/04796 (The Brambles, Vandyke Road) on the following grounds:

- **That the proposed housing density represented overdevelopment of the site and was completely out of keeping with the housing density of other developments in the locality**

RESOLVED to recommend to Central Bedfordshire Council that no objection be made to the following planning applications:

446/P **TRANSPORT MATTERS**

- (a) The Committee gave consideration to potential schemes for funding

from Central Bedfordshire Council through the Rural Match Fund.

RESOLVED to submit an application for funding towards addressing traffic speeding issues on Clarence Road/Churchill Road and on Meadway (in the direction of Appenine Way).

(b) The Committee gave consideration to other highways matters. The ongoing issues with cars being parked on the grass verges of amenity land on Soulbury Road, Linslade in the vicinity of the lower school and on Stanbridge Road in the vicinity of The Chilterns were discussed. As the Rural Match Fund could not be used to address parking issues, it was suggested that the Town Council directly fund the placing of wooden bollards at these locations to prevent parking.

RESOLVED to directly fund the placing of wooden bollards on amenity land on Soulbury Road and on Stanbridge Road to prevent car parking, from the Highways Schemes budget 409/4800.

447/P **INFORMATION ITEMS**

No information items had been received.

The meeting closed at 7.59 pm.

I HEREBY CONFIRM THAT THE FOREGOING IS A CORRECT AND ACCURATE RECORD OF THE MEETING HELD ON WEDNESDAY, 30 JANUARY 2019.
