There is a small development of 1 building housing 34 flats accessed off of The Wharf. The Developers have asked that the access to the flats be given a new street name and have asked for "Waterside Mews".

The name is already appearing on some CBC mapping systems although I have not agreed or confirmed the name with any 3rd parties so the Town Council may be aware of the name, please can I have the Town Council's comments and clarification on whether the name is acceptable with the Town Council.

Many thanks

Anne
