

Summer Youth Project – Groundwork with LLTC Funding

Week 1 – 16 young people who use the youth club, 4 new young people who became new members to the youth group and 6 young people who were too young for the group but were engaged.

Week 2- 15 young people who use the youth club, 2 new young people who became new members to the youth group and we engaged 7 young people by the front of the building offering them pizza and advice.

Week 3 – 15 young people who use the youth club, 4 new young people who became new members to the youth group and we engaged 6 younger children who had their bikes mended and engaged with the football coach.

Week 4- 13 young people who use the youth group, no new young people were present.

There were a number of young people who attended the project over the four weeks who are known to the police and social care, all the young people engaged with youth workers, professionals, police.

A group of young people who are known to PCSO Rachel from the town centre came to the project three of the four weeks to engage in the project.

A big thank you to the Town Council for the funding.
