Dear Mr. Hopkins,

The I Love LB Group are working to ensure this year's Christmas Festival is the best yet, and have exciting plans to promote the event across the town.

We would like the facility to re-invest receipts from the sale of market stalls in promoting the event and would therefore ask the committee to consider this request. All cheques are made payable to the Town Council and here there would be a clear audit trail of how the monies have been collected and spent.

Your early attention to this matter would be most appreciated.

Yours sincerely,

Toni Forestiero
