Timber footing for panels

Post dug into ground

WELCOME / ORIENTATION STRUCTURE

Option 2

# WELCOME / ORIENTATION STRUCTURE

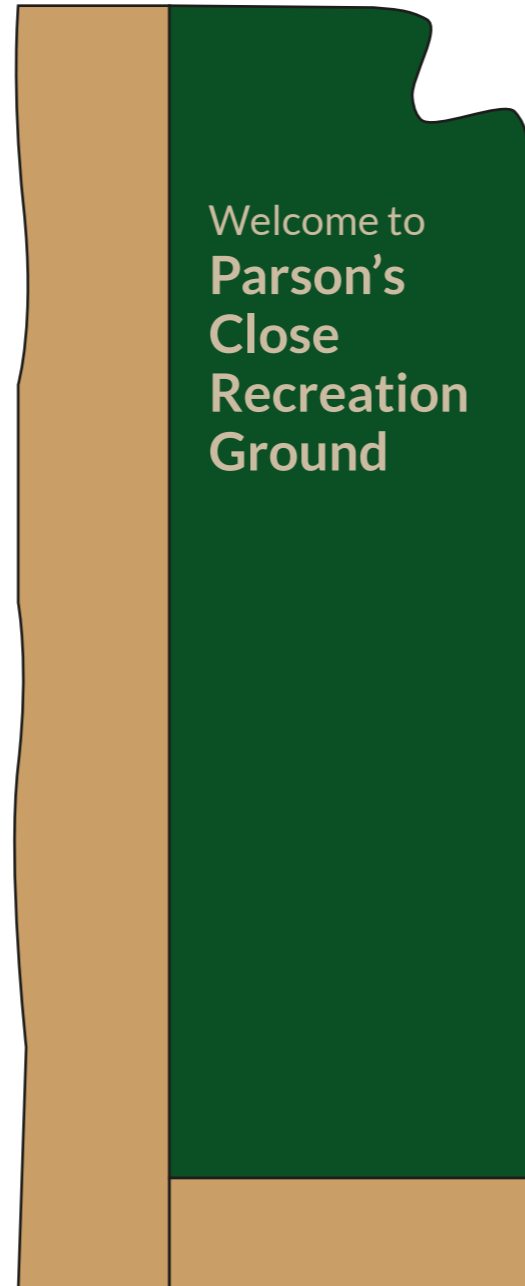

Option 3

This panel would just act as an entrance welcome. An upright structure would give orientation information and a lectern, interpretation. Both would continue with the waney edge style.

1

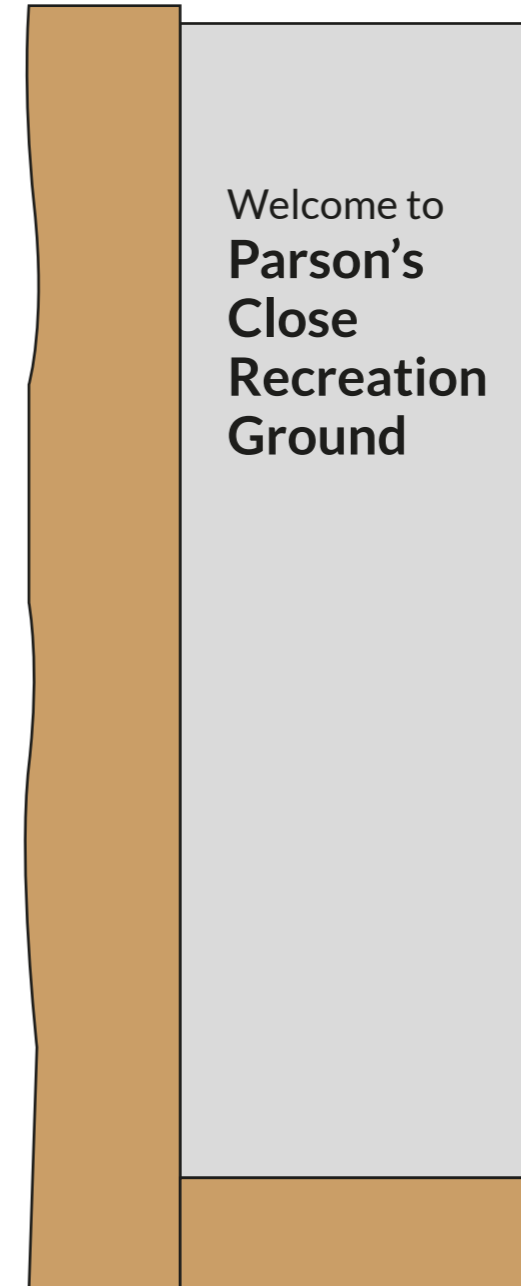

150x150x2500mm  
timber post

Optional panel edge shaped  
to curve of River Ouzel

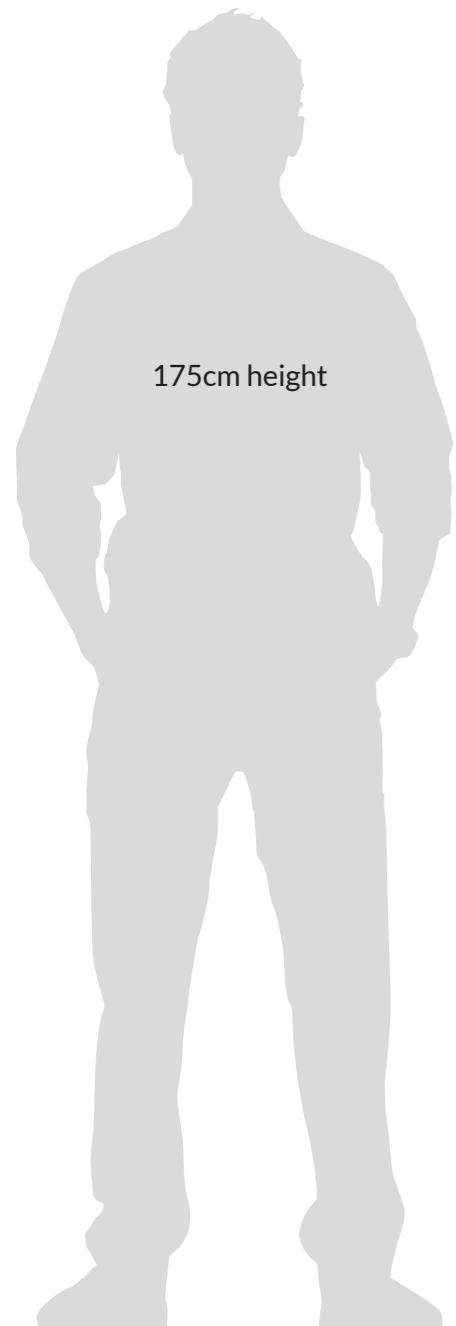

2

Waney edge timber

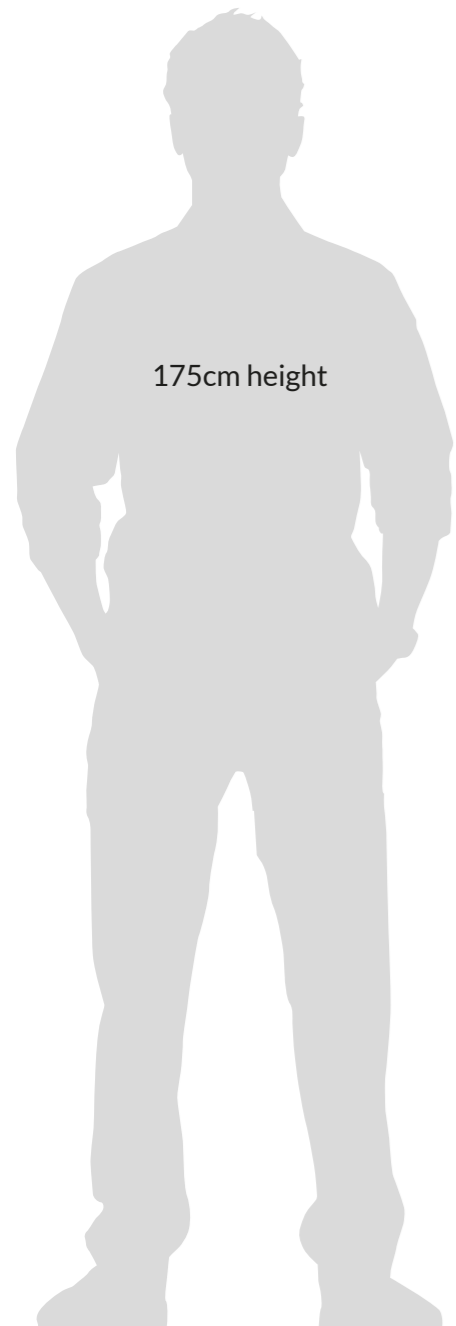

Title panel,
