Subject: Mentmore Road Parking

Dear Mr Freeman,

Residents of Mentmore Road and Wing Road have to pay for a parking permit to be able to park in designated parking areas. Over the last few months, the double yellow lines in Mentmore Road have been eroded and now non residents are again parking without the necessary permit. Evidently, parking wardens cannot issue a parking ticket when the yellow lines have been eroded. Please could you ask the council to rectify this matter.

Yours faithfully, Sent from my iPad
