

COMMUNITY FORUM

APPENDIX A

Questionnaire

**Leighton -Linslade Community Forum Event
Saturday 5 May 10 – 12 pm at the Library Theatre, Leighton Buzzard**

The focus is on safer use of our roads and footpaths in Leighton-Linslade.

The highways team from Central Bedfordshire Council will join the Town Council along with other key local groups to discuss the issues we are facing on our highways from congestion, pot holes and damaged roads, access, vehicle issues, enforcement areas and of course safe use of our roads and public highways. Other topics include emissions, schools, crossings, new estates, road planning and signage, cyclists, parking and general highway issues.

Map boards are set up for visitors to indicate problem areas / priorities for action, that the highways team can use for future planning and work scheduling purposes. Residents can speak to members of the highway team and discuss pressures on the roads and specific problem points.
