

# Local Government Pension Scheme (LGPS) Employer Policy Statement

The current LGPS regulations, which came into effect from 1 April 2014, require each scheme employer within the LGPS to formulate, publish and keep under review a statement which sets out their policy on certain discretions which they have the power to exercise under the LGPS regulations.

This is the formal employer policy statement of:

LEIGHTON-LINSLADE TOWN COUNCIL

Date of publication of this policy:

Effective date of this policy:

This statement will be published on the Leighton-Linslade Town Council website and will also be available to all staff on the share drive.

This policy applies to prospective members, current contributory members, deferred pensioner members and pensioner members of the LGPS, and their dependants.

## LGPS Regulations

Where quoted, regulations refer to The Local Government Pension Scheme Regulations 2013 or The Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014.

For certain employers, reference may also be made to the following regulations:

- The Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2000
- The Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006 (as amended)
- The Local Government (Discretionary Payments) (Injury Allowances) Regulations 2011

This policy statement will be reviewed and may change from time to time. It does not give any form of contractual rights for LGPS/staff members. LGPS/staff members should ask the employer named above for the latest version of this document before making any decisions in respect of retirement provisions. Only the version of this policy statement which is 'current' at the time an event occurs will be applicable for the purposes of determining LGPS benefit entitlement.

This statement should be read alongside information about the benefits provided by the LGPS, available on the Bedfordshire Pension Fund website.

In formulating and reviewing this policy, the employer named above must have regard to the extent to which the exercise of its discretionary powers could lead to a serious loss of confidence in the public service.

Leighton-Linslade Town Council will ensure that the discretionary powers are exercised reasonably. Where a cost is incurred, the policy will only be used when there is a future benefit to the employer for incurring the extra costs that may arise or be associated with the discretion. Leighton-Linslade Town Council will ensure that, where exercised, any discretions that incur additional costs will be applied and recorded as appropriate.

The Local Government (Discretionary Payments) (Injury Allowances) Regulations 2011 [SI 2011/2954]

Discretion	Regulation	Employer Policy
<p><b>Written policy is compulsory</b> Whether to pay an injury award and in what circumstances:</p> <p>Whether to make an injury award to those who sustain an injury or contract a disease as a result of anything they were required to do in performing the duties of their job and in consequence of which they:</p> <ul style="list-style-type: none"><li>- suffer a reduction remuneration, or</li><li>- cease to be employed as a result of an incapacity which is likely to be permanent and which was caused by the injury or disease, or</li><li>- die leaving a surviving spouse, civil partner, eligible cohabiting partner or dependant.</li></ul>	3 - 7	<p>Leighton-Linslade Town Council's policy is:</p> <p>That the authority has, after due regard to the facility, determined not to adopt the discretionary powers in respect of the injury allowance regulations as it cannot be satisfied that such a policy would be workable, affordable and reasonable having regard to the foreseeable cost and the use of public funds.</p> <p>Notwithstanding the above the authority may have other insurance arrangements in place that may be more appropriate for such circumstances and will look towards these products when relevant.</p>
<p><b>Written policy is compulsory</b> How to determine the amount of an injury award and for how long will it be paid.</p>	3 - 7	<p>Leighton-Linslade Town Council's policy is:</p> <p>That the discretion is redundant as it will not operate an injury allowance scheme.</p>

## Additional notes on discretions

Further information, including a full list of discretions and a technical guide to employer policies, is available at <http://www.lgpsregs.org/resources/guidesetc.php>

Discretion	Regulation	Note 1
<p><b>Whether, how much, and in what circumstances to contribute to a shared cost APC scheme.</b></p>	<p>R16(2)(e) &amp; R16 (4)(d)</p>	<p>The Scheme employer may choose to fund, in whole or in part, any arrangement entered into by an active scheme member to pay additional pension contributions by way of regular contributions in accordance with Regulation 16(2)(e), or by way of a lump sum in accordance with Regulation 16(4)(d).</p> <p>The Scheme employer may enter into an APC contract with a Scheme member who is contributing to the MAIN section of the Scheme in order to purchase additional pension of not more than the additional pension limit (£7,194 from April 2020, figure is inflation-proofed annually).</p> <p>Any extra pension granted by the Scheme employer under a SCAPC arrangement would be subject to an actuarial reduction for early payment where, other than in a case of ill health retirement, that extra pension is drawn before the member's Normal Pension Age.</p> <p>The amount of additional contribution to be paid is determined by reference to actuarial guidance issued by the Secretary of State.</p> <p>Consideration needs to be given to the circumstances under which the Scheme employer may wish to use their discretion to fund in whole or in part an employee's Additional Pension Contributions.</p>

Discretion	Regulation	Note 2
<p><b>Whether all or some benefits can be paid if an employee reduces their hours or grade (flexible retirement)</b></p>	<p>Regulation R30(6) &amp; TP11 (2)</p>	<p>An active member who is aged 55 or over and who, with the agreement of their employer, reduces their working hours or grade of employment may, with the further consent of their employer, elect to receive immediate payment of all or part of the retirement pension to which they would be entitled in respect of that employment as if that member were no longer an employee in local government service on the date of the reduction in hours or grade (adjusted by the amount shown as appropriate in actuarial guidance issued by the Secretary of State – separate policy required under Regulation 30(8)).</p> <p>As part of the policy making decision the Scheme employer must consider whether, in addition to the benefits the member may have accrued prior to 1 April 2008 (which the member must draw), to permit the member to choose to draw all, part or none of the pension benefits they built up after 31 March 2008 and before 1 April 2014 and all, part or none of the pension benefits they built up after 1 April 2014.</p>

Discretion	Regulation	Note 3
<p><b>Whether to waive, in whole or in part, actuarial reduction on benefits paid on flexible retirement.</b></p>	<p>R30(8)</p>	<p>Where a Scheme employer's policy under regulation 30(6) (flexible retirement) is to consent to the immediate release of benefits in respect of an active member who is aged 55 or over, those benefits must be adjusted by an amount shown as appropriate in actuarial guidance issued by the Secretary of State (commonly referred to as actuarial reduction or early payment reduction).</p> <p>A Scheme employer (or former employer as the case may be) may agree to waive in whole or in part and at their own cost, any actuarial reduction that may be required by the Scheme Regulations. Due consideration must be given to the financial implications of agreeing to waive in whole or in part any actuarial reduction. Where flexible retirement is agreed for an employee aged 55 or over but under Normal Pension Age, the cost of waiving an actuarial reduction, in whole or in part, would have to be met by, and paid to the Pension Fund by, the scheme employer.</p>

Discretion	Regulation	Note 4
<p><b>Whether to “switch on” the 85-year rule for a member voluntarily drawing benefits on or after age 55 and before age 60 (excludes flexible retirement)</b></p>	<p>TP Sch 2 para 1(2) &amp; 1(1)(c) &amp; 1(1)(f) and R60</p>	<p>Where a scheme member leaves employment and elects to draw their benefits at or after the age of 55 and before the age of 60 those benefits will be actuarially reduced unless their Scheme employer agrees to meet the full or part cost of those reductions as a result of the member otherwise being protected under the 85 year rule as set out in previous Regulations.</p> <p>So as to avoid the member suffering the full reduction to their benefits the Scheme employer can ‘switch on’ the 85 year rule protections thereby allowing the member to receive fully or partly unreduced benefits but subject to the Scheme employer paying a strain cost to the Pension Fund.</p> <p>The employer can also exercise a discretion (see below) to waive any actuarial reductions (including where an actuarial reduction may still be applied to a member’s benefits after ‘switching back on’ the 85 year rule in full), at a cost to the employer.</p>

Discretion	Regulation	Note 5
<p><b>Whether to waive any actuarial reduction, on compassionate grounds or otherwise, for a member voluntarily drawing benefits before normal pension age (excludes flexible retirement)</b></p>	<p>TP3(1), TPSch 2, para 2(1), R30(8), B30(5) &amp; B30A(5)</p>	<p>A Scheme employer may agree to waive in whole or in part and at their own cost, any actuarial reduction that may be required by the Scheme Regulations.</p> <p>Due consideration must be given to the financial implications of agreeing to waive in whole or in part any actuarial reduction.</p> <p>There is no definition in the regulations of ‘compassionate grounds’.</p>

Discretion	Regulation	Note 6
<p><b>Whether to grant additional annual pension to an active member or within 6 months of ceasing to be an active member by reason of redundancy or business efficiency (by up to £7,194).</b></p>	<p>R31</p>	<p>A Scheme employer may resolve to award</p> <ul style="list-style-type: none"> <li>(a) an active member, or</li> <li>(b) a member who was an active member but dismissed by reason of redundancy, or business efficiency, or whose employment was terminated by mutual consent on grounds of business efficiency,</li> </ul> <p>additional annual pension of, in total (including any additional pension purchased by the Scheme employer under Regulation 16), not more than the additional pension limit (£7,194 from 1 April 2020).</p> <p>Any additional pension awarded is payable from the same date as any pension payable under other provisions of the Scheme Regulations from the account to which the additional pension is attached.</p> <p>Any extra pension granted by the scheme employer would be subject to an actuarial reduction for early payment where, other than in a case of ill health retirement or retirement on redundancy or business efficiency grounds, that extra pension is drawn before the member's Normal Pension Age.</p> <p>In the case of a member falling within sub-paragraph (b) above, the resolution to award additional pension must be made within 6 months of the date that the member's employment ended.</p> <p>Scheme employers should take care to avoid the policy being discriminatory on age or gender grounds.</p> <p>Awards of additional pension may have implications for a member's Annual and Lifetime allowances and could result in a tax charge.</p>
