5/SSWP QUESTIONS FROM THE PUBLIC (3 MINUTES PER PERSON: 15 MINUTES TOTAL)

Three members of the public from the Peppercorn Company attended the meeting to observe and support Paul Brown for agenda item 6.

6/SSWP PEPPERCORN COMPANY

Paul Brown from the Peppercorn Company informed members how the Peppercorn Company had been set up and what their aspirations were.

The Peppercorn centre was a not-for-profit company set up with charitable aims to promote the building of an arts and heritage centre on the south side of the High Street in Leighton Buzzard. A feasibility study had been commissioned which demonstrated that the proposed centre would be self-supporting from revenue it generated and would, therefore, not require public subsidy. Discussions had taken place with landowners and professionals and the next step would be to raise money to enable architects drawings to be made to back up the feasibility study.

Questions were raised regarding whether Central Bedfordshire Council had been included in discussions and whether they would be willing to initially move forward with this option. Members agreed that access to the site would be the main obstacle and its location in the overall scheme of the development of the South Side of the High Street. Pedestrian access would also be preferred from the High Street to the proposed centre via alleyways but the crucial element would be vehicular access. These would be complex and costly issues and would need comprehensive investigation.

Members gave in principle support of the group's independent approach and would look into the options for accessing money to fund the architectural drawings which were subsequently confirmed to cost £13,000 plus VAT.

RECOMMENDED to the Policy & Finance Committee to use Earmarked Reserve 970/9026 to meet £7,500 of the overall cost of commissioning architectural drawings (£13,000 plus VAT), on the proviso that the Peppercorn Company provide the balance by whatever means. That this agreement remains in place until 31 July 2022 to enable the Company to raise the funds.

Paul Brown was thanked for attending the meeting and for the comprehensive feasibility study and it was hoped the project could be moved forward through this Working Party and involvement of Central Bedfordshire Council, the landowners and other interested groups.

7/SSWP CBC WORK UPDATE AND CULTURAL STRATEGY

No updates were available from Central Bedfordshire Council. A request was made for CBC to provide a bullet point list of what they have so far achieved and plans for the future.

8/SSWP GROUP PURPOSE AND OBJECTIVES

Members received and considered a report to provide the objectives of the group and the delivery timetable to achieve them. Councillors also discussed a paper provided by Councillor Owen regarding the objectives needed and that flexibility might be needed to dates and content of meetings to allow progress of the project by this Working Party.

RESOLVED to further develop and maintain a high profile for, and to promote to the relevant bodies and organisations (including by an interchange of views), the opportunities presented by the Land South of the High Street Development site in an effort to encourage and accelerate that development to the benefit of Leighton-Linslade and it's residents.

RECOMMENDED to Policy & Finance to endorse the amended timetable of meeting dates, with flexibility to amend agenda items if and when required.

9/SSWP STAKEHOLDERS

Members considered what stakeholder representatives could be included in the Working Party and after discussion agreed that individual confidential meetings could be held between the Chair, Vice Chair and Head of Cultural and Economic Services, with landowners to pass on information and include them in discussions.

RESOLVED that the suggested memberships were Peppercorn Company, Central Bedfordshire Council, Arts Forum and private landowners.
